

FOOTBALL PICTURES

With the football season well under way it has been my honor and privilege to be on the sidelines during the varsity games taking pictures. Many of you have enjoyed these photos on our football website where you have been able to download pictures free of charge. What has been available at www.romeobulldogfootball.com is about 1/3 of the pictures I take at each game.

As you well know, not all of the action takes place on the field. The emotion of the competition is evident during warm ups, on the sidelines, running under the banner and after the game. In addition I have made an effort to photograph things that are relevant to the season, team dinners, posters at school, the locker room, Barnabo field, the band, the cheerleaders, the dance team, the Dawg Pound, fans, parents, the four corners, banners, anything pertaining to Romeo football.

As the season comes to a close it becomes evident just how precious those pictures become. Everything from physical pain, competitive anticipation, celebration and brotherhood like no other can be found in those photos. To some of us they are priceless.

I am making these photos available to you. I have compiled an individual set of pictures for each and every varsity player. The cost is \$30.00. If you are interested in purchasing this CD please contact me, Amiee Distelrath, at joe_distelrath@comcast.net.
